1st DUBAI SHOULDER COURSE

Welcome Message

Dear Fellow Colleagues,

On behalf of the organizing and scientific committees we would like to welcome you to the 1st Dubai Shoulder course, the first Middle East event for the shoulder surgery to be held on September 22nd – 24th, 2016 in Dubai, The United Arab Emirates at the Event Centre Dubai Festival City.

Welcome to this three-day shoulder course, covering arthroscopic and prosthetic surgery. The program includes lectures by leading shoulder surgeons, a live surgery session and workshops with cadaveric workshops.

The purpose of this course is to provide strategies to equip physicians to provide the highest level of analytical, diagnostic, and treatment practice modalities specific to shoulder arthroscopy, arthroplasty, fracture management, and complex shoulder etiologies.

Bringing together expert faculty, course content focuses on known best practice, latest technological advances, and evidence based research related to shoulder care. Physicians will benefit directly from the following formats of educational interaction.

Dubai is extremely well known for its warm hospitality and rich cultural heritage, and the Emirati people are welcoming and generous in their approach to visitors. With year-round sunshine, intriguing deserts, beautiful beaches, luxurious hotels and shopping malls.

We look forward to welcoming you to the 1st Dubai Shoulder Course in Dubai, on Sep 22nd to 24th, 2016.

Sincerely,

Ali Al Suwaidi, M.D.
